| Inspections Performed Outside of Clinton City | |
|---|---|
| Mileage | A mileage charge will be assessed for each plan review inspection and regular inspection based on the distance from Clinton City Public Works to the site of the development or lot. Charge will be based upon the rate found at: http://www.gsa.gov/portal/content/100715 |
| Administrative Charge | A \$10.00 administrative charge will be assessed for each plan review and inspection to cover the cost of office supplies, maintaining additional files and transferring information to the City where the project is located. |

^ All fees shall be assessed starting when a permit is issued and continue until a Notice of Termination is filed with the State, approved, and a copy supplied to Clinton City.

* Plans not complying with requirements established by city staff after a second review are subject to re-assessment of fees.

Note: Service fees are a user fee designed to cover the cost of services and time provided by the City staff and where applicable the City Engineer reviews. City Engineer fees are tracked and considered to be equal to a minimum of one-half of the service fee. Once the engineer review constitutes greater than one-half of these fees a developer will be required to pay an additional fee equal to one-half of the original service fee. This additional fee will occur every time the engineering review fee exceeds one-half of the original service fees.
